

## **Account Designation Form**

## IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. What this means for you: When you open an account, we will ask your name, address, date of birth, and other information that will allow us to identify you. We may also ask you to provide your driver's license or other identifying information.
