| ACCOUNT DISCLOSURES |  |  |  |  |  |  |  |  |  |

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

1. RATE INFORMATION - The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For all accounts, the dividend rate and annual percentage yield are fixed and will be in effect for the initial term of the account. For accounts subject to dividend compounding, the annual percentage yield is based on an assumption that dividends will remain on deposit until maturity. A withdrawal of dividends will reduce earnings.
2. DIVIDEND PERIOD - For each account, the dividend period is the account's term. The dividend period begins on the first day of the term and ends on the maturity date.

## 3. DIVIDEND COMPOUNDING AND CREDITING -

 The compounding and crediting frequency of dividends are stated in the Rate Schedule.4. BALANCE INFORMATION - To open any account, you must deposit or already have on deposit the minimum required share(s) in a Membership Share account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. The minimum opening deposit must be received within seven (7) days, or the account will be closed. All accounts use the daily balance method Dividends are calculated by applying a daily periodic rate to the principal in the account each day.
5. ACCRUAL OF DIVIDENDS - For all accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account.
6. TRANSACTION LIMITATIONS - For all accounts, your ability to make deposits to your account and any limitations on such transactions are stated in the Rate Schedule. After your account is opened, you may make withdrawals of principal subject to the early withdrawal penalties stated below. Withdrawals of dividends are not subject to penalty.

For Young Savers Share Certificate accounts, a monthly deposit of at least $\$ 20.00$ is required. If a monthly deposit of at least $\$ 20.00$ is not made, the Credit Union reserves the cancel the certificate and charge an early withdrawal penalty on the entire principal amount.

For Wealthbuilder Share Certificate accounts, a monthly deposit of at least $\$ 50.00$ is required. If a monthly deposit of at least $\$ 50.00$ is not made, the Credit Union reserves the cancel the certificate and charge an early withdrawal penalty on the entire principal amount

7. MATURITY - Your account will mature as stated on this Truth-in-Savings Disclosure or on your Account Receipt or Renewal Notice.
8. EARLY WITHDRAWAL PENALTY - We may impose a penalty if you withdraw funds from your account before the maturity date.
a. Amount of Penalty. For Jumbo Share Certificate with terms of 91 days or less, the amount of early withdrawal penalty for your account is all accrued dividend up to 31 days dividend but not less than seven (7) days' dividend.
For Share Certificate with terms of 12 months or less; Fixed Rate IRA Share Certificate with terms of 12 months; Jumbo IRA Share Certificate with terms of 12 months; and Jumbo Share Certificates with terms of 6 and 12 months the amount of early withdrawal penalty for your account is all accrued dividend up to 90 days dividend but not less than seven (7) days dividend.

For Share Certificate with terms greater than 12 months; Fixed Rate IRA Share Certificate with terms greater than 12 months; Jumbo Share Certificate with terms greater than 12 months; Jumbo IRA Share Certificate with terms greater than 12 months; Ratekeeper Share Certificate; Wealthbuilder Share Certificate and Young Savers Share Certificate the amount of early withdrawal penalty for your account is all accrued dividend up to 180 days dividend but not less than seven (7) days dividend.

For High-Yield Share Certificate and High-Yield IRA Share Certificate accounts, the amount of penalty is as follows;

| 5-year certificate | 24 months |
| :--- | :--- |
| 6-year certificate | 27 months |
| 7-year certificate | 30 months |
| 10-year certificate | 36 months |

b. How the Penalty Works. The penalty is calculated as a forfeiture of part of the dividends that have been or would be earned on the account. It applies whether or not the dividends have been earned. In other words, if the account has not yet earned enough dividends or if the dividends have already been paid, the penalty will be deducted from the principal.
c. Exceptions to Early Withdrawal Penalties. At our option, we may pay the account before maturity without imposing an early withdrawal penalty under the following circumstances:
(i) When an account owner dies or is determined legally incompetent by a court or other body of competent jurisdiction.
(ii) Where the account is an Individual Retirement Account (IRA) and any portion is paid within seven (7) days after the establishment of the account; or where the account is a Keogh Plan (Keogh), provided that the depositor forfeits an amount at least equal to the simple dividends earned in the amount withdrawn; or where the account is an IRA or Keogh and the owner attains age $591 / 2$ or becomes disabled.
9. RENEWAL POLICY - The renewal policy for your accounts is stated in the Rate Schedule. For accounts that automatically renew for another term, you have a grace period of seven (7) days after maturity in which to withdraw funds in the account without being charged an early withdrawal penalty. For accounts that do not automatically renew for another term, the account balance will be transferred to another dividend-bearing account of yours upon maturity if you do not provide the Credit Union with reinvestment instructions for the funds.
For RateKeeper Certificate accounts, prior to the maturity date, you may request one (1) additional 15-month term at the existing dividend rate being paid on the account. For additional renewals, you will receive the offering rate then in effect for new Ratekeeper Share Certificate accounts that have the same term, minimum balance (if any) and other features as the original Ratekeeper Share Certificate account.
